The Green Park Hotel 2026 Photography Break

From Monday the 9th of February until the morning
of Friday the 13th of February 2026

David Brown becomes our photographer in residence again this February. David has been a professional photographer for the last eighteen years, and is an Associate of the British Institute of Professional Photographers - the United Kingdom's most respected professional photographic organisation. With a background as a military photographer, Davis is nothing if not flexible with a normal years work ranging from commercial photo shoots, to self run workshops and courses, to trips to war zones and weddings.

David's course is designed for the photographer - novice or otherwise - who would like to improve his or her craft. To allow a sufficient amount of time for both general and individual tuition, numbers for the course are limited to a maximum of twelve to fifteen participants, and everyone is encouraged to bring with them any photography that they have carried out to date.

Non-participating guests along for moral support are also welcome, and would just be charged at the hotel's normal tariff for this time of year.
